

THE BOARD OF AID

TO LAND OWNERSHIP

(LIMITED).

HEAD OFFICE:

57, Moorgate Street,
LONDON, E.C.,
ENGLAND.

FARM LAND FOR SALE.

The Board is now offering for sale at reasonable prices and on easy terms of payment, excellent farm land in the following counties, viz., Morgan, Scott and Fentress Counties, Tenn.

THE CINCINNATI SOUTHERN RAILWAY RUNS THROUGH

The Board's large tracts of land in Morgan and Scott Counties, nearly dividing it into two equal parts. The land lying east of the railway is rich in timber and coal, as well as soil, while on the west side there is very desirable land for farming and grazing; the native grasses for nearly three-fourths of the year being rich and nutritious. Water is to be found in abundant quantities through the whole of the country. Fruit and vegetables, and especially grapes, grow here most successfully. The soil is particularly adapted to grape growing, and the seasons favorable.

The following stations on the Cincinnati Southern are of easy access to the Board's lands, viz., Robbins, Sedgemoor, Glen Mary, Hoffman's Switch, and Sunbright.

The Board has also a number of choice building lots of large area for sale, in the town of Rugby, and also in the town of Sedgemoor. The Board has recently surveyed and laid out Sedgemoor, and is prepared to offer liberal inducements to persons settling therefor manufacturing and business purposes. It is the station for Rugby. The latter place lies seven miles west from Sedgemoor, and is reached by an excellent, graded road, with a perfectly smooth road bed. The road winds and curves, beautifully following the natural contour of the ground, and crosses the White Oak stream on a good, substantial Howe Truss Bridge.

Maps and plans can be seen at the Office of the Board, in Central Avenue, and any information which intending settlers may require will be cheerfully given by

ROBERT WALTON

The Board's representative in
Rugby, Tennessee.

THE RUGBEIAN,

With Rugby, occupies a unique position in or out of the United States.

THE RUGBEIAN

Is set up entirely, and printed entirely, at Rugby.

THE RUGBEIAN, though, at present, small, contains more important and readable matter than is contained in large numbers of older and bigger papers.

THE RUGBEIAN

Is not what is known as a patent backed newspaper, by which is understood a newspaper partly edited and printed by some wholesale newsman, and supplied by him to any one who wishes to insert local information in the vacant columns.

THE RUGBEIAN

Is edited with care, attention being paid to matters of the greatest local interest, of which not meager accounts, but the fullest reports are given.

THE RUGBEIAN

Is published independent of any political party.

THE RUGBEIAN honestly endeavors to please all parties, but does not expect to do so.

THE RUGBEIAN

Is widely read throughout this country, and in Great Britain, by those closely, and experimentally interested in the growth and well being of Rugby.

THE RUGBEIAN

Is steadily growing in favor, and receiving support from all classes of society, who look to it as an exponent of what is going on in Rugby, and the neighborhood.

THE RUGBEIAN

Has every week a full and well arranged assortment of Home and Foreign news.

THE RUGBEIAN

Publishes concise accounts of events happening in the State of Tennessee.

THE RUGBEIAN

Carefully excludes all objectionable advertisements.

THE RUGBEIAN

Is printed from good type, with good ink, on good paper.

THE RUGBEIAN

Is one of the best papers in the United States when advertisers wish to meet with a good class of people.

THE RUGBEIAN

Is read from California to New York, and from New Orleans to Buffalo.

THE RUGBEIAN

Is thoroughly alive to the emigrant interests of East Tennessee.

THE RUGBEIAN

Is not a dry, uninteresting, flavorless jumble of news, but a paper of some literary merit.

THE RUGBEIAN is a live newspaper.

THE RUGBEIAN

Is published every

SATURDAY MORNING.
